Fw: Radford NC Facility Proposal Requirements

FYI

I'll work with Stephen to get the estimating elements that he's missing

Kent

Subject: Radford NC Facility Proposal Requirements

This provides information on the proposal team and requirements for the NC facility.

Key team members are myself and Bryan Metoyer-ops; Karen Leonard-proposal manager; Lyle Lawson-estimating lead; Alex Sexton-capture manager; design partner-Burns & McDonnell (Roanoke VA office)

Key dates:

9-10 July Internal (Fluor) and External (Fluor/BMCD) Kickoff Meetings  
15 July Submit Intent to Bid  
23 July BRMF  
26 July Red Team  
27 July CR Pre Brief  
28 July CR  
3 Aug Production  
4 Aug Submission (Electronic)  
24 Aug Notice of Award  
31 Aug Subcontract issued to Fluor

Critical needs. We are missing 2 key estimating skill sets:

- Process piping estimator
- Instrumentation / controls estimator.
